

## MARGARET GETHIN – MYNACH STUD

Margaret Gethin was a founder member of the SWA of WPCS and was a great supporter of the Association. In the early years the committee meetings were held at her home near Ashburton in Devon. She moved to Scotland several years ago to be near her sister where her ponies were looked after and shown by David Blair and Ton Best at the Waxwing Stud. Her Section B ponies have won numerous Championships In Hand and Under Saddle. Margaret also bred Riding ponies and Part Breds when she lived in Devon. Mynach ponies have been exported all over the world.

Miss Gethin's Mynach ponies bred at Waxwing have enjoyed remarkable success accounting for no less than six Royal Welsh winners including Mynach May Flower, Mynach Flower Song, Mynach Oriana, Mynach Oceana, Mynach Mystical, Mynach Arcadia and Mynach Miss Prim.

By winning the St Johns Wells Trophy at the Royal Highland Show in 2007 pictured opposite, Mynach Miss Prim and Mynach Arcadia made history as the first pair of Welsh ponies to claim this famous award.
