

A fantastic day had by all – Lovely Competitors – Lots of Spectators and an abundance of overworked helpers !!!!! Expectations were closely guarded as we had the extra pressure of Hartpury College hosting the NPS 2 day Judges Assessment and also Blaenavon’s change of show date for their medal show on the same day. Worry we needed not !!! A splendid turnout of lovely produced welsh youngstock and adults to keep Judge Jonathan Batt from the Abergavenny Stud busy . The same went for the non welsh ring which had lovely ponies forward and again made good spectating and judging for Robert Pink and Debbie Miller. Ridden numbers were down on last year but the ponies forward were of definite quality and Mark Northam had his work cut out in the Championship. The Society would like to thank all the judges for giving their time and also to the Stewards who all did a grand job. The pony that went through the card from beginning to finish was the upstanding Section D Colt Foal PENNAL MAIL MODEL, by Pennal Brynmor out of Pennal New Model and was the unanimous decision of all judges to take the Supreme In Hand of Show, having already won the Section D Championship, Best Pure Bred Welsh Foal Championship, Best Overall Foal Championship and then ultimately the Supreme In Hand. The owner Janet Woodbury had only purchased this foal off the hills a few weeks prior to the show ! The Ridden Champion was a beautiful example of a Welsh Section C – Thistledown Sabrina was the choice of Mark Northam with another lovely Welsh C in Reserve D’abernon Omen – both owned by Frank Johnson.
