

# WPCS EDUCATIONAL VISIT to CANNINGTON COLLEGE, BRIDGEWATER

MONDAY 23 March 2015

Nicki Brewer and Kayleigh Tonkins from the WPCS office gave an instructional talk to the Students attending the Equine courses at the College. They explained the different sections, history and attributes emphasising their importance as working animals. After the session in the class room the students went to the indoor school for a practical demonstration. SWA members had very kindly brought along a pony from each section and three Welsh Part Breds. After an introduction by Kayleigh Tonkins each pony came forward in turn whilst Kayleigh explained their breed type and they then gave a individual display. Browbank Jacob and Conchita also included the show jump in their display. All the ponies behaved perfectly and at the end the student came forward to meet the ponies and chat to the riders.
